

This property is for sale by the Modern Method of Auction which is not to be confused with traditional auction. The Modern Method of Auction is a flexible buyer friendly method of purchase. We do not require the purchaser to exchange contracts immediately, but grant 28 days to achieve exchange of contracts from the date the buyer's solicitor is in receipt of the draft contracts and a further 28 days thereafter to complete. Allowing the additional time to exchange on the property means interested parties can proceed with traditional residential finance. Upon close of a successful auction or if the vendor accepts an offer.

Double fronted mid terrace house located in Thornaby comes to the market with vacant possession and no forward chain. Once updated the property would be an excellent first time buyer purchase or investment property being located close to shops, schools and local amenities. The house is an excellent size, gas central heating, solar panels and double glazing throughout.
