

FOUR SEPARATE FLATS, GARAGE/WORKSHOP WITH GATED ACCESS.

Excellent purchase !!! This has retail planning permission & was previously used as a car showroom with workshop.

Smith & Friends are delighted that this opportunity has come to the market to purchase four separate flats in total and a garage/workshop unit with gated access. Two of the flats already have long term tenants in situ whilst others are ready to advertise for rent. The whole unit plus flats come for sale under one title and are all set up ready to proceed. The location is fantastic being central to Stockton Town Centre. Please contact 01642 607555 for more in depth information.

This property is for sale by the Modern Method of Auction which is not to be confused with traditional auction. The Modern Method of Auction is a flexible buyer friendly method of purchase. We do not require the purchaser to exchange contracts immediately, but grant 28 days to achieve exchange of contracts from the date the buyer's solicitor is in receipt of the draft contracts and a further 28 days thereafter to complete. Allowing the additional time to exchange on the property means interested parties can proceed with traditional residential finance. Upon close of a successful auction or if the vendor accepts an offer.
