**Guide Price £465,000**

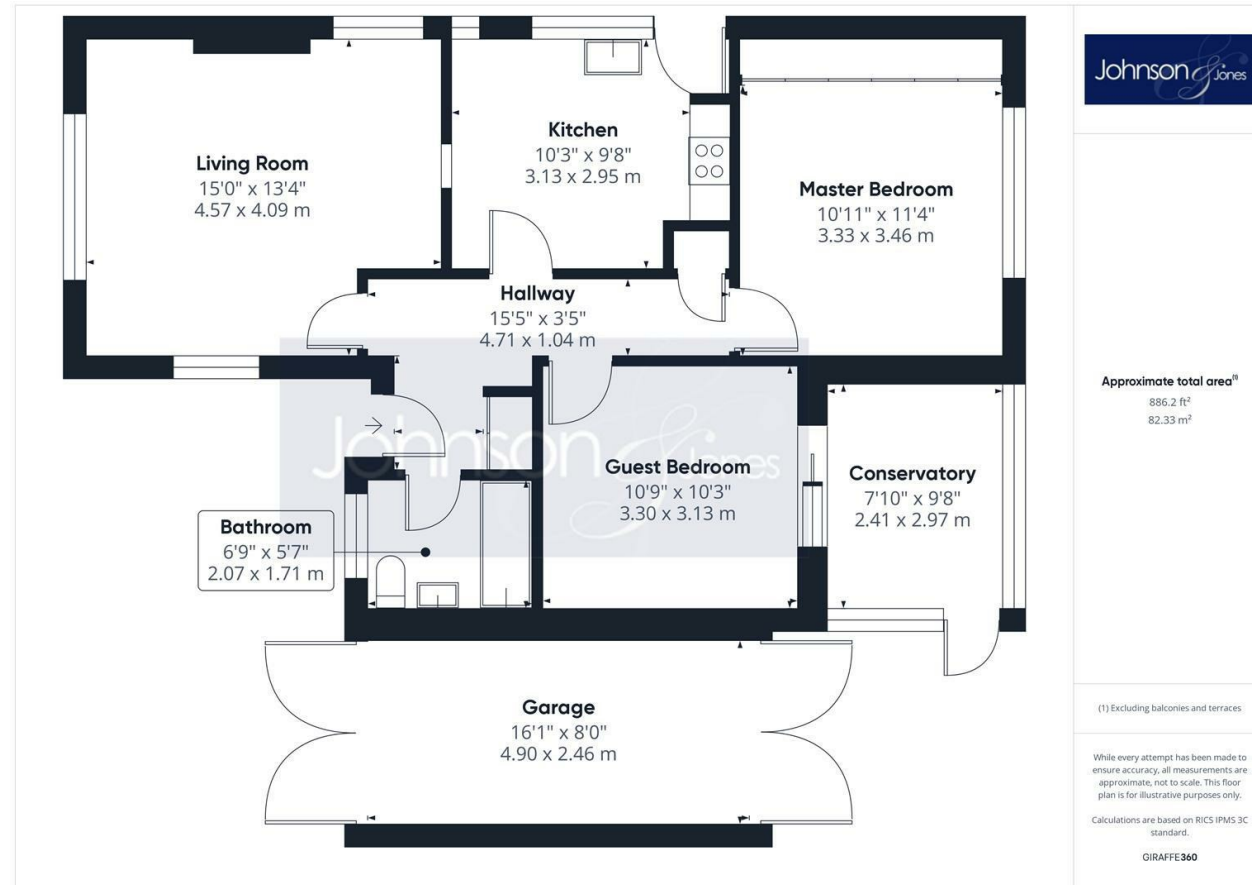

With scope for extension STPP and being available to the market with a potentially complete onward chain, we are delighted to bring to the market this wonderful two double bedroom semi-detached bungalow with a huge enclosed rear garden, a garage and a driveway for several vehicles!

Upon entry you are greeted by a spacious entrance hall which provides access into all of the accommodating rooms. To the front, the lounge is a fantastic size and really feels like the heart of the home. The room also benefits from dual aspect. Leading through the kitchen is a great space and has ample work top space as well as a door leading to the garden. Both of the bedrooms are large doubles with the master bedroom boasting fully fitted sliding door wardrobes. The conservatory is to the rear of the second bedroom and makes a great space for either an office or a nursery but could have many uses. The bathroom is a modern fitted three piece suite with contemporary white units including a bathtub, basin and wc.

Externally the rear garden is a huge enclosed space, perfect for a family and entertaining guests. This large space also allows for the possible extension of the property STPP. Furthermore, there is also an integral garage allowing for further parking or storage. The property itself is nestled right in the corner of the cul-de-sac and has a large front driveway providing parking for several vehicles.

With so much potential we highly doubt that this charming bungalow will be available for long so early internal inspections are highly recommended!
