DESCRIPTION

A quite remarkable, five bedroom semi-detached farm house in a secluded position on the outskirts of the highly sought after village of Acaster Malbis. Set in generous grounds the property offers flexible living, over the years the current owners have been able to run a 6 person business from the property, had a supported living annexe and raised a family. They have also carried out a program of improvements including the installation of an air source heat pump, solar panels and an electric vehicle charging point. Upon entering the property you have an entrance porch leading to a hallway with stairs to the first floor. The kitchen features a range of base and wall units with full granite work surfaces, a central island, an integrated oven with hob and extractor fan as well as space and plumbing for free standing appliances.

Beyond the kitchen you have a formal dining room which in turn leads to a ground floor bedroom with ensuite shower room.

To the rear of the ground floor you have two further reception rooms and a study with a door out to the rear gardens.

To the first floor you have three bedrooms, the main of which enjoys a walk in wardrobe and ensuite shower room. You also have the family bathroom with sink, W.C and bath and a further shower room with sink, W.C and walk in shower cubicle.

The second floor offers a further double bedroom.

Externally the property has stunning gardens which attract a wealth of wildlife. Largely laid to lawn with a robotic mower system there is also an orchard, pond and vegetable plot. A useful brick built outbuilding is currently being used as a home gym but would work just as well for a variety of purposes, there is also a further store and a garage.

Acaster Malbis is a popular village to the South of York. It is ideal for families with good access to York as well as falling into the catchment area for the highly regarded Fulford School.

Viewing of this property is highly recommended to truly appreciate all it has to offer.
