DESCRIPTION

A rare opportunity to purchase a substantial detached home, filled with character and period features with a stunning garden leading down to the banks of the River Foss.

Upon entering the property there is a hallway with stairs leading to the first floor. To the front you have two grand reception rooms, each with attractive fireplaces and large bay windows filling the space with natural light.

The modern kitchen is found to the rear of the property and features a range of base and wall units, integrated appliances, a Belfast sink as well as space for a table and chairs.

The ground floor is completed by a further reception room which in turn leads to a ground floor bathroom.

To the first floor you have four bedrooms, three of which benefit from fireplaces and the main enjoys a large bay window to the front elevation. There is also a home office and family bathroom which completes this floor.

The second floor comprises three further bedrooms along with a variety of storage cupboards and eaves storage.

Externally this remarkable home enjoys a paved driveway to the front offering parking for multiple vehicles. This driveway leads around the side of the property to further parking at the rear with a car port and double garage. Beyond this you have the picturesque lawned garden with a wealth of mature shrubs and trees leading down to the river.

At the end of the garden you have another brick built outbuilding, currently used as an additional garage but equally suitable for a variety of other purposes such as home office or summer house.

At over 2600 sqft, this magnificent property offers a degree of flexibility that is hard to find so close to the centre of York. The peace and tranquility at the end of the garden makes you feel as though you are in the countryside despite only being approximately a mile from the city walls.

Viewing of this incredible home is highly recommended to truly appreciate all it has to offer.

Total area: approx. 248.3 sq. metres (2673.2 sq. feet)
The total Sqft shown can include Garages & Outbuildings. Plan produced using PlanUp.
