Tadcaster Road is a picturesque tree lined street of substantial period properties with an extensive cycle network and the wide, open public access spaces of York Racecourse and Hob Moor. Mount Villa is conveniently located for commuters, being just 1.3 miles to the train station, with easy access to the outer ring road and A64 with its further motorway links.

York's nearby city centre has an excellent range of amenities, shops, and restaurants, mostly within the historic walls, less than a mile away. The nearest supermarket is one mile further along Tadcaster Road.

The internal accommodation, decorated to a remarkable standard in keeping with the historic importance of the house, is set over four floors, providing flexible living space. Recent renovations have uplifted the property whilst maintaining the original Regency style and character, including silk patterned wallpaper and hand painted marble effect walls.

Entering a spacious hallway with impressive spiral staircase, the ground floor provides two reception rooms with feature fireplaces, one of the rooms featuring a large bay window overlooking the garden. A new kitchen has been fitted with white stone worktops, a breakfast bar, American fridge freezer, dishwasher, and range cooker. Glazed double doors can be opened from the kitchen into the spacious dining room, creating an open plan space the depth of the house. The ground floor is completed by a WC and rear door to the garden.

The lower ground floor lends itself to be used as a self-contained apartment with a bright double bedroom, modern bathroom, and a reception room with log burning stove and wine cellar as well as a spacious separate kitchen with oven, dishwasher, and fridge freezer. This floor is completed by a storage cupboard, walk in safe and boiler room.

The first floor, the principal bedroom with en-suite shower room has curtain access to bedroom four, which could alternatively be used as a dressing room. Two further double bedrooms and a family bathroom with shower over the bath complete this level.

The second floor has a newly fitted modern shower room and two double bedrooms with built in wardrobes and eaves storage.

Outside, there is a large double garage with electric doors to front and rear alongside ample off-street parking, available at both the front and rear of the house.

The breath-taking rear garden, which is maintained by a gardener, has a charming, characterful summer house and mature planting.
