DESCRIPTION

Hunters Wetherby are delighted to present this charming Victorian mid terrace property located in the sought after location of Tadcaster. This property has been decorated throughout to a good standard boasting a delightful blend of Art Deco style and period features, making it a truly unique find and also benefits from three brick-built outbuildings.

Fully refurbished, the internal accommodation begins with a good size lounge featuring an exposed fireplace with Adam style surround and tiled insert to create a fabulous focal point to the room the high ceilings and solid wood flooring really does make this a very special room.

The dining room which is placed to the middle of the property is a large room and originally would have had a working fire but this is now used as decorative space and is decorated in nice bright colours. The kitchen is fitted with a range of base and wall units and provide ample storage. A ceramic sink with built-in drainer sits within timber worktops and enjoys views over the rear courtyard. There is both gas and electric cooker points and space for freestanding appliances. Solid wood flooring completes the room.

To the first floor there are two double bedrooms and a larger than average house bathroom which is finished to the same high standard as the rest of the property and includes a low level WC wash hand basin and shower over bath. A frosted glazed window allows natural light into this room and tiling really makes this a unique space

Externally, the property has a lawned front with hedge boundaries and a path leading to the front door. A practical and attractive walled courtyard to the rear is easy to maintain as well as enjoying pretty climbing plants. The courtyard benefits from good size outbuildings which benefit from power and light and is ideal for those who work from home or have hobbies.

As one would expect in a period property of this era, there is a right of access across the courtyards, on foot, for neighbouring properties.
