DESCRIPTION

Situated in a sought-after residential area in the town of Tadcaster, this three bedroom detached home has been extended and adapted and now boasts exceptional accommodation, with open plan living at the heart of it's design.

The property opens to a bright and spacious entrance hall, benefitting from underfloor heating, which leads to all the principal ground floor accommodation, including a front room currently used as home office that could also be used as a home office. Also, directly off the hallway is the snug/sitting room.

The highly impressive open plan lounge/kitchen/diner has been designed with versatility in mind. Bathed in natural light from the aluminium bi-folding doors and Velux's in the extension, this space is the true heart of the home. The luxury fitted bespoke kitchen boasts a range of high quality wall and base units, integrated appliances and large island with space for bar stools for casual dining.

Adjacent to the kitchen is the convenience of a utility area to accommodate both a washing machine and tumble dryer. The landscaped rear garden and patio have been finished to a immaculate finish approaching two sets of bi-fold doors into this space seamlessly, bringing the outside in. Also to the side is a lovely snug/sitting room.

Stairs from the living area lead to the first floor landing, off which there are three bedrooms and a stunning house bathroom with a high level of finish.

Externally the property sits on a corner plot within a cul-de-sac and offers good sized gardens to the rear and side.

As the rear garden is south facing the property benefits from day round sunlight whilst mature trees provide good shade and privacy, along with the fenced boundary. Flower beds with low maintenance plants and bushes add to the landscape of this property.

To the front is a gravelled paved driveway, and single garage.

In summary, an immaculately presented and modernised home, in a sought after position close to Tadcaster.

The market town of Tadcaster is well situated for access to the A64 A1 & M1 and motorway network. This is a popular location for the busy family with good schooling options for all age groups-including being in catchment for Tadcaster Grammar School, a range of shopping facilities, medical centre, swimming pool with gymnasium and sports centre.
