DESCRIPTION

Hunters Wetherby are proud to present to the market this beautifully presented four bedroom detached bungalow, which is delightfully located away from the street side boasting magnificent far reaching views across Collingham's nearby countryside.

On entering the property, a welcoming hallway flooded with natural light leads you in to the well laid out accommodation.

The kitchen features an array of contemporary wall and base units with integral appliances including stainless steel sink unit, fridge freezer, electric oven and hob with extractor over, and dishwasher. An island allows for extra storage, with a breakfast bar creating the perfect casual dining space. Larger than average windows look out over the garden and expansive countryside beyond. The rear door leads out onto the sun terrace.

The spacious living room benefits from dual aspect windows allowing for natural light to fill the space. The layout and size of the room allows space for a dining table and the bay window, again, allows for breath-taking countryside views creating an idyllic, peaceful atmosphere.

The internal hallway boasts two further reception areas, one of which is perfect for home working.

A spacious master bedroom features patio doors which lead out onto the rear patio. This room also has the added benefit of a fully tiled en suite comprising a three piece white suite, including walk in rainfall shower, low level wc and wash hand basin set within a vanity unit.

Bedroom two is also well sized, and benefits from fitted wardrobes and cupboards.

Up the small set of stairs are bedrooms three and four which are a good size and have generously sized windows allowing for plenty of light.

Also tucked away at this side of the home is the utility, which has space for a washing machine and houses the boiler, and a storage cupboard.

The stylish house bathroom features a three piece white suite, including bath, low level wc and wash hand basin set within a vanity unit.

The exterior of this property is sure to impress any potential buyer. To the front, a block paved driveway and car port allows for ample off street parking. Stairs lead down to the front entrance and down to the side of the property.

The rear garden is mainly laid to lawn with gravel boarder and a selection of mature shrubs. Stairs lead up to the sun terrace, with metal balustrade and safety glass inserts and is beautifully paved with porcelain tiles making this the perfect place to relax in the sunshine overlooking the outstanding views beyond.

Continuing around back of the property, an Indian Stone patio area allows for an extra seating area, and leads back around to the driveway.
