DESCRIPTION

Hunters Wetherby are proud to present to market this picturesque two-bedroom cottage nestled in the peaceful and sought-after village of Towton. This property is a rare and delightful find with wealth of character features, including beautiful exposed beams throughout, combined with modernisation from the current vendor. The boiler and consumer unit have been replaced approximately eighteen months ago alongside the carpets. The property is well-maintained and offers the perfect canvas for a very small amount of bespoke modernisation to create your dream home. This property is suitable for a range of buyers from first time buyers to downsizers.

Upon entering, you are met with a small vestibule which further opens out into a generously sized lounge/dining room. This bright and inviting space is flooded with natural light from dual-aspect windows, offering endearing views to both the front and rear. A striking feature fireplace, with a rustic brick insert surround, wood mantel and connection for a gas fire, creates a beautiful focal point, while the ample space provides a perfect setting for both relaxing and entertaining. It's an ideal room for hosting family and friends.

Adjacent to the lounge is the kitchen, this space is equipped with a range of fitted wall and base units, sink unit, and integrated fridge freezer. While perfectly liveable and functional, this area presents an ideal opportunity for modernisation to perfectly tailor the kitchen to your taste and lifestyle.

Upstairs, you'll find two good-sized bedrooms. The principle bedroom features a useful row of built-in wardrobes, providing ample storage.

Stepping into the house bathroom, prepare to be impressed as it's simply stunning. Fully tiled from top to bottom, this elegant three-piece suite features a panelled bath with a shower attachment, wash hand basin, and low-level W/C.

A fantastic additional feature of this home is the lower level, which comprises a spacious family room. This area offers great potential, whether you envision it as a home gym, a dedicated study, or an additional bedroom. The lower ground floor also benefits from a utility room with space and plumbing for a washing machine, dryer and fridge freezer. Adjacent to the utility is a W/C which features a low level W/C and ash hand basin.

Externally, to the rear is a well designed, low-maintenance garden, perfect for enjoying your morning coffees in the summer months. The outdoor space is predominantly brick and paved across multiple levels, featuring attractive fencing for security and ample space for outdoor furniture. The property is completed by a convenient driveway which can accommodate multiple vehicles. The front of the property benefits from mature shrubs and bushes adding a flourish of colour to the front of the property. The community allotment is a lovely enhancement to this property - providing a nice social and sustainable area.
