THE EXTERIOR

FRONT GARDEN

From the entrance porch, a front terrace/patio provides a superb south-easterly facing area to enjoy the sunshine, bordered by mature hedging to two sides with a deep section of lawn. A garden gate gives access to the far side, by means of a garden path, onto a pedestrian walkway. Opposite the mature boundary and between the driveway, another section of garden exists, previously used as a vegetable patch, housing the oil tank and partially enclosed by timber fencing.

DRIVEWAY AND DOUBLE GARAGE

From the main road, a deep driveway provides space enough for four vehicles, leading to a double garage, constructed of sectional concrete, now requiring maintenance and would likely need rebuilding to ensure it is structurally sound.

REAR COURTYARD

A small courtyard, enclosed to two sides with block walling, concrete hardstanding and views provided over the adjacent fields.
