

The Meadow, Brill, Constantine, Falmouth, TR11 5QA

Guide Price £250,000

DEVELOPMENT OPPORTUNITY! Planning permission has been granted for the demolition of the existing timber frame bungalow and the construction of a superb 4 bedroom detached house of approximately 1,700 sq ft. 'The Meadows' is located within the highly sought-after hamlet of Brill, on the edge of Constantine. The plot backs onto open fields, facing south at the front and overlooking the local cricket field, with Falmouth Bay in the distance. The contemporary reverse level design includes a large open-plan living space with balcony and substantial garage below. If planning permission was not initially implemented, the current timber frame bungalow would require work in order to make it habitable. The accommodation currently comprises: 2 bedrooms, living room, kitchen/diner, shower room and utility. The present gardens extend to the front and rear and there is a single detached garage with driveway parking. Those looking to build a modern home, in a delightful rural setting, are encouraged to view at the earliest opportunity.
