with glazing to the side and a broad window to the rear, providing a wooded outlook over the nearby surrounding trees and lower Cosawes, two radiators. Comprehensive built-in wardrobe space, together with oak door to airing cupboard with wooden slatted shelving and radiator.

SNUG/BEDROOM TWO

11' x 10'6" max (3.35m x 3.20m max)

A most intriguing addition to this particular park home and likely a rarity within Cosawes: a room offering a variety of different uses, currently utilised as a garden room/snug providing the possibility of becoming a bedroom, if required. Array of glazing to four sides, decommissioned external door leading to side garden and obscure polycarbonate ceiling bringing in copious amounts of natural light and offering a feel which, quite literally, 'brings the outside in'. Stripped timber flooring, two radiators, corner cupboard with hanging space. Book shelf concealing an entranceway into the:-

LOWER SPLIT-LEVEL STORAGE ROOM

A particularly quirky addition with steps down to a walk-in storage area, exceptionally useful with sloped ceiling and access to the chassis underneath the park home. Wall-mounted cupboards, light and power. Rear access door leading to the exterior.

THE EXTERIOR

TARMACADEM PARKING

Offering space to the front of the property for up to two vehicles. Designated side path leading onto the:-

SIDE AND REAR GARDENS

Beautifully landscaped and incredibly well-stocked areas surround the property, providing a small oasis in which the park home sits centrally within, comprising an array of flourishing plants, shrubs and bushes. Low maintenance pathway laid to stone chippings with timber rear gate to the far boundary, providing access to lower Cosawes. Continuing around the property, a small number of steps rise to an enclosed side terrace featuring metal storage unit and beyond, a particularly wonderful area of side decking, making for a fantastic sun trap, once again, enclosed by timber panel fencing and allowing access to the front driveway via a timber side gate. Oil tank set on a raised concrete foundation. Encased Worcester-Bosch oil boiler.
