THE PROPERTY

Of traditional cavity block construction under a pitched interlocking concrete tiled roof, 'Elm Tree' provides an extremely rare opportunity to purchase a detached bungalow, so close to the village centre, in this price range.

Council parking is provided in the area to the front of the bungalow, in addition to which double timber gates open onto the property's own forecourt, sufficient for two vehicles, and with easy, direct and level access to the accommodation. Brick pavia pathways surround the property and lead to the rear, which is well enclosed by timber fencing and enjoys a sunny aspect over the village to countryside beyond.

A nearby footpath leads directly into the village centre, which provides an exceptional range of day-to-day amenities, including salon, junior school, church, newsagents, dentists, cafe, public house, general stores, community hall, butchers and doctors surgery. A walk along Trevellan Road leads to the head of the creek and, beyond, to Greatwood and Restronguet Passage, home of the Pandora Inn, in one direction, and Church Road and Mylor Harbour, the county's pre-eminent boating location, in the other. There are also regular bus services to the neighbouring towns of Penryn, Falmouth and Truro, which are approximately two, four and nine miles distant respectively.
