Guide price £550,000

Located on a level walk to the town centre. Being offered as a chain free sale.

An extremely well presented three bedroom detached bungalow which offers very spacious accommodation with the benefit of gas central heating and double glazing throughout.

This property has a layout that is highly versatile. The present owner chose to have the main bedroom to the rear where there are patio doors that lead out onto the garden. Previous owners have used this as the dining room. There a number of different options, to suit the prospective new owners.

It comprises: spacious entrance hall, sitting room with attractive fireplace, dining room/bedroom three, two further well proportioned bedrooms, modern fitted kitchen/breakfast room, garden room, luxury bath/shower room.

The rear garden is a particular feature of this property as it enjoys a sunny westerly aspect, is very private and measures approximately 90' x 55'. There is vehicular access to the front and rear. To the front the block-paved driveway provides parking for at least four cars. The rear access is approached via Nelson Road and double opening gates open into a courtyard parking area for at least two cars. The detached garage, which is located in this area, had been converted to a small music studio by a previous owner.

More recently, it has been a useful storage area but could be put to many varied purposes. A home office, playroom or guest annexe are some of the possibilities.

As previously mentioned, this bungalow benefits from being on a level walk into the town centre and is also a short walk to the mainline railway station which offers an excellent commuter service on the Cambridge to Liverpool St. line with a link to Stansted Airport. Just along the road is a little Waitrose supermarket and Dawn's convenience store, a family run business with garden centre.
