Guide price £510,000

Being offered chain free.

An extended three bedroom semi detached house which has gas central heating and double glazing. The accommodation has been well maintained but the decor does require some updating. Saying that, the kitchen, utility room and both shower rooms are modern. Integrated and freestanding white goods are going to be included in the sale. Other rooms are the three spacious bedrooms: living room, dining room and a double glazed conservatory.

There is the added advantage of a well tended rear garden which is over 90' in length and is unoverlooked as it backs onto allotments. The front garden has a double width block paved driveway with parking for two cars which leads to a single garage.

This property is well located for access to the mainline railway station and junction eight of the M11 motorway. It is within walking distance of Thorn Grove Primary School, Herts & Essex High School, Hockerill Anglo-European College, a sports centre and the community hospital. Open countryside is only a few minutes walk away. The town centre with a comprehensive selection of shops, restaurants, bars and entertainment venues is also within walking distance.
