Welcome to 46 Cleave Road; a fantastic home in the highly sought-after area of Cleave Road, Barnstaple. This property offers spacious and flexible living accommodation set over three floors on a fabulous corner plot. The wrap around gardens are delightful and have been extensively improved and landscaped by the current owners. The outside space really does offer something for everyone! Spaces to sit to relax and reflect, paved shaded area (ideal for a hot tub or outdoor gym, various garden areas including many fruit trees and different species of palm trees, places for children to play and pets to potter and even a fully insulated outside cabin. The property boasts some spectacular estuary views, which can be enjoyed from many areas of the home, including the generous balcony - the perfect spot to take in beautiful sunsets. There is a block paved driveway with a double garage and easy access pathways leading to the front of the property and throughout the gardens.

Cleave Road is a well regarded location and properties here do not come to the market very often. With its' position within a few minutes walk from the renowned Tarka Trail, you have a fantastic opportunity to leave the comfort of your home and enjoy the North Devon countryside from your doorstep. Most popular with cyclists, runners and walkers a like, the Tarka Trail will lead you directly into Barnstaple Town Centre, with both Tesco and Lidl/B&Q and large Asda shopping parks, Barnstaple Railway Station, plus all the way to Braunton or in the opposite direction you have the delights of Fremington Quay, a perfect place to stop and rest your legs and enjoy a well deserved coffee or ice-cream at the cafe there, then onward to Yelland, Bideford and beyond. As well as having the Tarka Trail on your doorstep, Cleave Road is within walking or short driving distance to all the amenities Barnstaple has to offer, including the Queens Theatre, Tarka Tennis and Leisure Centre, Green Lane Shopping Centre, restaurants and with primary and secondary schools and Petroc College within easy reach.

The accommodation in brief comprises of an entrance porch, dining/family room, kitchen/breakfast room, utility room, living room with direct balcony access, study/playroom, 6 bedrooms (or 7 if needed by using the second lounge), two with en-suite facilities, and a family bathroom.

A truly fantastic home in a prime location - early viewing is recommended.

## OUTSIDE

To the front of property is a private block paved driveway providing parking for two vehicles. This leads to a detached double garage measuring 16'7ft x 17'5ft, with up and over garage door, electric with ample electric points and lighting in place, pedestrian door to the rear of the garage. The garage is currently fitted with rack shelving for storage, which the vendors are happy to leave or remove.

The current owners have created and landscaped the wonderful grounds that wrap around the property. There is easy access to all areas of the gardens along with wheelchair friendly pathways and access down both sides of the house. There is an abundance of plants, flowers, shrubs and some more mature trees, including a large vigorous fruit bearing sweet cherry tree at the entrance and an impressive palm tree in the rear garden whose leaves provide a tropical feel, privacy screen and backdrop. You will find 3 mature pear (2 Conference, 1 Bartlett) trees, and a mature Golden Delicious type apple tree around the cabin; the pear trees normally produce so much fruit that the vendors give most away to neighbours. Plus young fruit trees, including 2 types of delicious Johannus apple, 1 Nashi/Asian pear, 1 Asian plum, 1 Victoria plum, 1 cherry plum, 1 apricot and 1 pomegranate in the fruit garden. There are also 3 more young cherry trees producing worthwhile fruit already in the sloped garden on the other side of the house, plus a nectarine and golden plum tree in the lower 'pebble' garden. Within the gardens you will find different seating areas to take in the wonderful views along with some more secluded and peaceful areas with a hint of the tropics!

Within the generous grounds, due to its corner plot position, is a fabulous all season cabin/office offering superb views. This multi-purpose elevated cabin was newly constructed in 2023 and is fully insulated and has lighting/power connected. It would make a perfect home office, but equally could serve as an exclusive studio/yoga room, or possibly suit a holistic therapy room, with double doors opening out to the attractive gardens and views. A gated pathway leads to the cabin, so it makes it very easy to keep a separate secured gated entrance from the main house if so desired. In addition, also behind the gated entrance, is a wide planked stairwell that runs all the way down to the lower gardens (in case you prefer steps to a path) past the utility room's external door (secure, 5 lever locking); this section is both level and covered (used by the vendors for laundry).

On top of all this garden has to offer, the property increases its out door space with a good size balcony, which leads off the main living room and takes full advantage of the spectacular views. A spiral staircase leads down from the balcony to the rear garden, where you will find lawn and patio areas along with a useful greenhouse. Due to the size of the plot, there is also the scope to extend the accommodation further, for example the kitchen if desired, subject to the normal consents being granted.

If security is of concern, even though the house is in a particularly low crime Neighbourhood Watch area, be comforted by the secure nature of the grounds with 1.8 meter chain link fence with Cherry Laurel hedging to the East and North, a neighbour's enclosed grounds to the West, and access to the gardens restricted by two combination lock gates either side; a perfect safe haven for the family minded. Plus, a state of the art, quality / unobtrusive CCTC system which also feeds the TVs and your devices with high estuary pointing cameras, so you can enjoy the view anywhere (the late Spring to early Autumn estuary sunsets are often spectacular).

## AGENTS NOTES

Built in October 2002.

Siemens energy efficient gas boiler installed approximately 2 1/2 years ago and a large hot water tank (so no cold water shower shocks!). All (central heating too) covered by British Gas under contract.

Estuary/sunset views guaranteed by restrictive covenants on hedge heights.

Lower floor 'tanked' (extra impermeable membrane added) against damp, methane and radon, plus a very low noise / remote controlled 'PIV' (positive inward ventilation) unit located outside which ventilates the gap between the base suspended floor and the ground (the vendor has humidity and radon detection meters which show exceptionally low readings for the South West).

Dehumidifiers in bathrooms - can be removed.
