The Property

This spacious 3 bedroom purpose-built split level maisonette is located above commercial premises on the Upper Richmond Road West, although due to the effective double glazing, is remarkably quiet.

This property has the mind-set of a house rather than a split level apartment. This is mainly due to the fact you have your very own front door so no shabby communal parts to worry about, and the accommodation is more aligned to a house, where you can still go upstairs to bed.

The property is accessed via an entrance at the rear of the building and has its own front door from ground floor level. On the first floor you'll find the large living room which runs across the whole width of the property, the bathroom and the dining kitchen which has french windows on to the very generous roof terrace.

On the second floor you have three excellent sized bedrooms, one with fitted wardrobes.

The property has been recently redecorated throughout.

THE AREA

You'd be hard pressed to find another community like East Sheen. It's fun, vibrant and a mix of thoroughly interesting and creative types who love their neighbourhood, reflected in the colourful list of coffee shops, great pubs such as The Plough and The Hare and Hounds, and the lots of local independent restaurants and quirky retail shops.

It's also a hub of public transport; another factor in this extraordinary city fringe destination, along with exceptional public spaces (Richmond Park and the River Thames), local Farmer's Markets and being sandwiched between fabulous Barnes and Richmond, you'll be thoroughly occupied and fulfilled at weekends. The A316 allows fast access to the M3, M4, M25 and beyond.

Close to Mortlake Station (fastest train is approx. twenty minutes to Waterloo), this is a superb family home in one of the most sought-after areas of South-West London.

Excellent schools, both state and private, are another huge bonus of living in the area and include Thomson House (Outstanding), East Sheen Primary (Outstanding), Tower House (Private) and The Harrodian (Private) to name but a few.

Make Yourself at Home

We are fortunate to work in the property market of South West London, offering beautiful homes in charming village-like areas such as East Sheen, Barnes, Richmond, Mortlake and Kew.

With historical buildings, riverside walks, and excellent transport links (tube, rail, bus, and riverboat), these areas blend semi-rural charm with city convenience.

They feature independent shops, restaurants, leisure facilities, theatres, galleries, and museums. Families are drawn here by outstanding schools and the perfect balance of city and country life.
