Since 1998, Tsunami has undergone extensive modernisation and expansion to better accommodate family needs. With new plans in mind, the time has come to pass on this beloved home to someone new who can enjoy it as much as its current owners have.

This property appears modest from the outside but once inside it is deceptively spacious. The kitchen/breakfast room serves as an entertainment space where friends and family gather to share meals and lively conversations, while the adjacent sitting room, complete with a open fire, enhances the atmosphere of tranquillity and comfort.

An extension at the rear features a vaulted ceiling and french doors leading to the garden, further enhancing the social appeal of the home. Additionally, a centrally located office meets the needs of those who work from home.

On the other side of the property are the sleeping quarters. The principal bedroom, situated at the front, is beautifully appointed with an en-suite bathroom and offers stunning views over the fields. Three additional double bedrooms, another en-suite, and a family bathroom provide ample space for a large family or visiting guests.

The outdoor space is as impressive as the interior. A large gravel driveway leading to a double garage offers ample parking, while mature trees and a well-kept lawn soften the property's exterior. The rear garden is impeccably maintained, featuring a spacious decking area perfect for outdoor dining, as well as a vast lawn surrounded by flower beds, shrubs, and established trees.

This property offers not only a spacious and tranquil home but also a generous plot and a versatile way of living, making it an ideal choice for those seeking both comfort and practicality.

“My favourite spot is sitting at the peninsula - the hub of the home.”

I would describe my home as a tranquil space that has nurtured and adapted to my growing family.
