Leasehold

Unlock the door to homeownership with this stylish three-bedroom semi-detached home, one of only four available through the shared ownership scheme at Summerscales. Offering the opportunity to purchase between 10-75% of the property and gradually increase your share over time, it offers a flexible pathway to homeownership, perfectly tailored to suit your needs.

As you step inside, you'll be greeted by the welcoming ambience of the cosy living room, perfect for unwinding after a long day. The heart of the home lies in the inviting kitchen diner, where sunlight streams in through patio doors, seamlessly connecting indoor and outdoor living spaces. Outside, a private garden provides a serene retreat for enjoying sunny afternoons or hosting summer barbecues. Ideal for families, every corner of this home exudes warmth and charm.

- uPVC or composite external doors in dark grey.
- uPVC or powder-coated aluminium patio doors in dark grey.

Energy Performance

- Minimum predicted energy performance rating of A (92), and an environmental impact rating of B (87).
- Each home is equipped with solar panels (PV), which capture the sun's energy and convert it into electricity for use in your home.

Warranty

- Each home within the Summerscales development is backed by a 12-Year LABC Warranty.

Leasehold Information

- The property is leasehold with a remaining term of 990 years. There is no ground rent payable.

Service Charges

- A monthly service charge applies (specific amount to be confirmed).

Shared Ownership

The Shared Ownership scheme offers a pathway to homeownership by allowing individuals to purchase a share of a property while renting the remainder. Buyers can initially acquire a share ranging from 10% to 75%, with the specific percentage determined by an assessment of their circumstances and subject to additional eligibility criteria. Homeowners have the opportunity to increase their ownership share through a process known as 'staircasing,' which allows them to acquire up to a maximum of 80%.

In addition to their mortgage, shared owners pay rent to Castles and Coasts on the portion they do not own. This rent is calculated at 2.75% of the unsold equity per annum, payable monthly and reviewed annually.

All homes in the Summerscales development are also subject to local occupancy criteria.

How to Apply

To apply, please visit our website and complete the initial shared ownership and local occupancy eligibility check.

Application Process:

1. Complete the Eligibility Form

Fill out the initial shared ownership and local occupancy eligibility form on our website.

2. Review by Our Team

Our new homes team will review your submission and confirm the outcome of the initial eligibility check.

3. Stage One Assessment and Provisional Offer

If you qualify, you will be invited to complete an online form with our third-party mortgage advisor, who will carry out a Stage One affordability assessment. This step will confirm whether you meet the Shared Ownership allocations policy requirements and provide an indication of your affordability and the share you can purchase.

4. Stage Two Assessment

Upon passing the Stage One eligibility and affordability assessment, you will be asked if you would like to complete a Provisional Offer Form for the property and proceed to the Stage Two detailed

affordability assessment. You will have 10 working days to complete this assessment and obtain a Mortgage in Principle.

5. Formal Offer

Once the Stage Two affordability assessment is successfully completed, the exact share you can purchase will be determined. You will then be invited to submit a Formal Offer to purchase the property. At this point, a reservation fee of £500 is payable, and a Reservation Form/Memorandum of Sale will be issued. The property will be reserved for a period of 3 months, during which contracts must be exchanged.

In the event of multiple qualifying applications for the same plot, acceptance will be determined based on the earliest Provisional Offer date and time for that specific plot.

Please note: If no applications are received from individuals meeting the specified local occupancy criteria within 31 calendar days of the start of the marketing period, the geographic scope of eligibility will be broadened.
