A particular feature of the property are the wonderful double height spaces and vaulted ceilings whilst still offering a comfortable living environment in a modern, contemporary style. Since build, the property has undergone a number of high quality improvements including an impressive Mulberry kitchen and boot room, a substantial adjoining Cedar greenhouse and an Oak staircase with glass inset which adds beautifully to the wonderful open plan feel of the living area and galleried landing.

The ground floor also offers a study, cloakroom and a triple aspect lounge with woodburning stove, overlooking the garden. On the first floor, there are four extremely spacious bedrooms, two enjoying balconies and two with en suites. The master bedroom also offers a dressing room. The property occupies a generous plot of approximately half an acre (stms) and is approached via a large blockweave driveway leading to an impressive triple garage with adjoining workshop, boiler room and greenhouse.
