Nestled in the picturesque Horseshoe Pass, Llangollen, this remarkable detached house offers an exceptional opportunity for both comfortable living and potential business ventures. With up to 5 spacious bedrooms, this property is perfect for families seeking a serene retreat in the heart of the Welsh countryside.

Land with this property extends to approximately 45 acres and includes areas of improved pasture, rough grazing and woodland. The land is split by a number of converging streams which provide natural water to many of the enclosures. There is a substantial 15 acre block of more commercial woodland which we understand was planted in the 1950's, predominantly with coniferous well established Scotch Pine, Noble Fir together with Conifer and Larch.

The property boasts impressive views that stretch across the stunning landscape, providing a tranquil backdrop for everyday life. The enviable position of this home allows residents to enjoy the natural beauty of the area, making it an ideal setting for those who appreciate outdoor pursuits and the charm of rural living.

In addition to its residential appeal, the property presents significant business potential. The surrounding land offers ample opportunities for various ventures, whether it be a smallholding, a holiday let, or other entrepreneurial pursuits. This versatility makes it a unique investment for those looking to combine their passion for the countryside with a profitable business opportunity.

With its blend of comfort, stunning views, and potential for growth, this property on the Horseshoe Pass is a rare find. It invites you to explore the possibilities that await in this idyllic location, where the beauty of nature meets the promise of a thriving lifestyle. Don't miss the chance to make this remarkable house your new home or investment.

OUTSIDE

The Property has been built on bedrock and whilst the majority of the access tracks have been created the Property does afford scope for landscaping including the land along the driveway and around the house. Below the Property lies a particularly attractive orchard which contains a cascading brook running through.

Below the Property also lies a traditional outbuilding being approximately 35 feet by 12 feet which is detached from the main house and comprises of a formal stable block and barn. This building contains much of its old character to include exposed Oak truss timbers and benefits from adjoining loose box and cattle shed.

The building offers potential for alternative use subject to the necessary planning permission being obtained.

LAND

In all this extends to approximately 45 acres and includes areas of improved pasture, rough grazing and woodland. The land is split by a number of converging streams which provide natural water to many of the enclosures. There is a substantial 15 acre block of more commercial woodland which we understand was planted in the 1950's, predominantly with coniferous well established Scotch Pine, Noble Fir together with Conifer and Larch.

The land is also interspersed with many other coppices to include mature Oak trees, Cherry, Ash, Alder, Willow, Birch, and Hazel. The Property is a veritable haven for wildlife as well as providing a good stock rearing smallholding. Please see attached boundary plan.

SERVICES

The Property is connected to mains electricity, with a new transformer

connection in 2007. An independent water treatment plant Biorock 15 (15 person) located just below the adjacent barn. Additional manholes installed for servicing additional outlets from the house for the barn if required. The Property has been connected to a borehole which was supplied by WB and AD Morgan in 2007 and has been tested and functioning correctly.

There is also the opportunity to purchase a 20kW air source heat pump as part of the sale.
