5 Greenclose Mews is located in a modern development consisting of seven townhouses, all set around a charming courtyard. Its prime location offers easy access to the High Street, just a few steps away, and is only a short walk from the seafront. This property is a stylish, low-maintenance family home designed with contemporary living in mind, ideal for those seeking convenience to local amenities. The exterior features an appealing stone front with rendered sections and a natural slate roof, along with a designated parking space.

Spread over three floors, the house is equipped with gas-fired central heating powered by a high-efficiency condensing boiler and Stormsure wooden double-glazed windows. The ground floor includes an entrance hall, a cloakroom/WC, a lounge/dining area, and an open-plan kitchen fitted with integrated appliances, including a built-in fridge, freezer, and dishwasher. On the first floor, there is a spacious double bedroom and a family bathroom, with the second floor offering two more bedrooms—one double and one single. The first floor also houses a large airing cupboard with plumbing and space for a washing machine (washer dryer included).

Outside is a small amenity space at the front of the property. The development includes a shared bike store and an enclosed bin store within the courtyard.

Optionally, this property can be purchased furnished as pictured.

Ilfracombe town offers a variety of independent shops, art galleries, restaurants and bars. The picturesque seafront and harbour area is home to artist Damien Hirst's 'Verity' statue at the harbour entrance. In addition is the exciting new water sports centre and café making the harbour a hive of activity.

North Devon has a wealth of simply stunning golden sand beaches and has long been a mecca for British surfers. The area has recently been declared a 'world surfing reserve', one of just 12 places on the planet along with Australia's Golden Coast and Malibu in California.
