4 Penolva is one of just 8 apartments forming this modern building. It is situated on the first floor (which is the entrance level of the building) with easy access to the parking spaces and the communal grounds.

Sea Road is the most exclusive address within Carlyon Bay and these apartments enjoy a frontline position with direct access on the South West Coast Path and breathtaking, uninterrupted sea views. There are several beaches within walking distance and Carlyon Bay offers a range of local facilities including cafes/bars, restaurants as well as an 18 hole golf course and nearby Charlestown offers a primary school, a number of cafes and restaurants, as well as the famous Shipwreck Museum.

St Austell offers a much wider range of everyday amenities, including supermarkets and the main trainline to London (Paddington) and is home to the Eden Project.

The apartment is contemporary in design, offering an open plan kitchen/living/dining room facing the sea, two double bedrooms, the master with an en-suite shower room, and a bathroom together with a large storage cupboard.

The kitchen is fitted with integral appliances and there is underfloor heating throughout.

A balcony accessed directly from the open plan living space offers a wonderful private outdoor sitting area, whilst the gardens and grounds are communal.

No. 4 has an allocated parking space and there are also visitor parking spaces available, as well as communal stores.
