The Property

This highly individual detached house looks to all intents and purposes to be a traditional stone built dwelling. It was however built in the 1990's with a reclaimed stone exterior that not only enhances its visual appeal but requires minimal maintenance.

The property provides at first floor, four bedrooms (with master en-suite), family bathroom and large landing. At ground floor there is an extensive and versatile layout comprising hallway, lounge with fireplace and wood burner, office, utility room, wc, generous kitchen/diner with electric Aga, and conservatory. The windows are uPVC double glazed and an electric boiler part central heating system installed (plumbing in place to fit first floor radiators if required). Reclaimed wood block flooring has been used extensively downstairs complemented by quarry tiled flooring in the kitchen/diner and conservatory.

The house enjoys a sunny southerly aspect overlooking level lawned gardens within which is an outdoor style kitchen/pizza oven for al fresco dining! There is an ample turning and parking area with its own driveway off the Council lane.
