The Property

Homelands is an almost new (completed 2024) detached modern house built in the style of a barn conversion set in 2.63 acres or thereabouts.

The position is wonderful, being quiet but not isolated, and with open views across to Constantine Church and to Nare Point in the distance.

The dwelling is modest in size but is light and airy with well proportioned accommodation including; entrance hall with plant room, kitchen/dining room, w.c. and sitting room to the ground floor with two double bedrooms – both with built-in double wardrobes and shelved cupboards – and a bathroom (with shower cubicle) to the first floor.

Underfloor heating has been installed on the ground floor, with the upstairs heated by radiators.

Gardens & Grounds

Double gates from the roadway open into a gravelled driveway providing parking and turning space for several vehicles and beyond this are level lawned gardens including a productive vegetable garden. Alongside the gardens are three paddock enclosures, all with post and rail fencing, which are fairly equally sized and therefore ideal for grazing rotation.

Additionally, there is a juvenile fruit orchard planted with pear, apple, plum and cherry trees.

Within the grounds is a range of timber stabling set on a concrete base with front yard and comprising two stables and a large feed/tack room. Overall dimensions 8.8m x 4.1m.

Services

Mains water and electricity, private drainage (sewage treatment plant), Air Source Heat Pump for heating. None of these services have been tested and therefore no guarantees can be given. Interested parties are advised to make their own enquiries to the relevant service providers.

Wayleaves, Easements & Rights of Way

The sale will be subject to and with the benefit of all wayleaves, easements and rights of way as may exist.
