ESTATE AGENTS

This spacious, detached three/four bedroom bungalow is coming to the market for the first time, having been built in 1983 by a reputable local builder for his own occupation.

The property enjoys a private tucked away location, yet just a few minutes' walk from the town centre itself, the Nansloe Academy Primary School and Nursery, plus doctors' surgery and Spar shop.

Currently offering three double bedrooms, the property has a separate dining room which could easily become a fourth double bedroom with the kitchen being generously sized to make a kitchen/diner. In addition to double glazing and mains gas central heating, the bungalow has a low maintenance chipped exterior and good sized detached garage. The main garden area enjoys a really private and sunny aspect and the property would be well suited as a fine family home or for those looking for a retirement property.

Helston itself is a bustling market town that stands as a gateway to The Lizard Peninsula which is designated as an area of outstanding natural beauty with many beautiful beaches, coves and cliff top walks. The town has amenities that include, national stores, supermarkets, doctors' surgeries, churches and also many clubs and societies. There are a number of well regarded primary schools, a comprehensive school with sixth form college and a leisure centre with indoor heated pool.
