An opportunity to purchase a stunning, modern, executive style four/five bedroom dormer bungalow in the rural Cornish hamlet of Perran Downs.

Situated in an off the beaten track, rural setting is this beautifully presented, modern, stylish contemporary residence. The property, which benefits from many refinements of modern living, including an attractive fitted kitchen, air source heat pump underfloor heating and solar panels with battery storage, has an outstanding energy efficiently rating of A94. This, we are sure, will win favour with many prospective purchasers.

The extremely spacious residence, which has been finished to a very high standard, boast en suite facilities for all four main bedrooms and three of the bedrooms also have the addition of walk-in wardrobes/dressing rooms.

In brief, the accommodation comprises a hall, games room/bedroom five, lounge, open plan kitchen/diner, utility room, bathroom, bedroom four and, completing the ground floor, a W.C. On the first floor are three bedrooms all of which have en suite facilities and walk-in wardrobes/dressing rooms.

To the outside of the residence and at the front is a parking area for a number of vehicles and a driveway leading to a garage. To the rear of the residence is a good sized garden with both patio and lawn areas.

Perran Downs is a highly regarded residential area located in a favoured area of South West Cornwall between the towns of Helston and Penzance. In relatively close proximity are the villages of Goldsithney and St. Hilary, the latter of which has a highly regarded primary school.

A short drive away are a number of beaches including Marazion where the iconic St. Michael's Mount provides a magnificent backdrop.

The towns of Helston and Penzance provide extensive amenities with the latter having a mainline railway station.

"The decision to build our own home was the easy part," say the current owners of Haveli. "We then had to think about what we wanted to build, so we came up with a wish list! We realised that our priority was to have plenty of room for our multi-generational family to spread out and do their own thing, but then be able to all come together for meals and outside living. We also wanted space for our family and friends to join us for visits by the sea. In terms of aesthetics, we envisioned a modern design and feel within a traditional dormer bungalow structure. The solid oak staircase is one feature of which we are very fond, as my husband finished it himself. Further, we aimed to take a sustainable, renewables-first approach to the build. The property self-generates approximately 70% of the energy required to run our home, which is not only great for the environment but also for our utilities bills!"

"Now, we have the home we had dreamed of, and are very pleased with all that we have created here," the owners continue. "We absolutely love our kitchen diner, which is the epicentre of the house where everyone comes together. Haveli is all about entertaining and having the space and facilities to do so with ease. We have countless happy memories of the many birthdays, Christmases and summer parties we have hosted here. When our home is sold, we will miss the space and separate bathrooms. With teenage boys, it is nice not having to share a bathroom, and we have our master bedroom as a sanctuary. We also love spending time in the garden, which is blessed with sunshine all day when the weather is good. During the summer, we spend endless days on the sun loungers."

"The local area has much to offer, too. "The property's proximity to some of Cornwall's best beaches has been a real treat," the owners say. "These include Perranuthnoe, our closest, which is also home to the Victoria pub, Praa Sands and its many facilities, and, of course, Marazion, with many pubs, restaurants, and the forever impressive St Michaels Mount. Local amenities are also excellent, including shops and pubs in nearby Goldsithney and a local Co-Op store a few minutes' drive away."
