An opportunity to purchase a beautifully presented four bedroom, detached coastal residence in the highly regarded Cornish fishing village of Coverack.

Nestled in an elevated hillside position, this fine property enjoys a superb marine and coastal outlook over the village of Coverack, the bay and out to sea.

The property is currently run as an Airbnb but would be equally suitable as a super family home.

The property offers generous, versatile accommodation, in brief providing on the ground floor: an impressive entrance hallway, lounge, snug/study, beautifully appointed kitchen/breakfast room, dining room and utility room. On the first floor a family bathroom, four bedrooms, two of which are en-suite, with the master having a Juliet balcony enjoying the fantastic marine outlook.

Coverack itself is a quintessential Cornish fishing village being situated on the Lizard Peninsula, which has been designated as an area of outstanding natural beauty. The cove itself has a lovely sandy beach which is a popular centre for water sports that include windsurfing, stand-up paddle boarding, sailing and diving. There is an attractive harbour from which a small fleet of traditional fishing boats operate and land their daily catch. There is a public house, restaurants, a shop selling local produce and a primary school. St Keverne village is a short drive away and has a number of shops, including a butcher's and doctors' surgery whilst comprehensive schooling can be found in the nearby village of Mullion. The bustling market town of Helston, which has more extensive amenities including national stores and supermarkets, is some eight miles distant.
