Tucked away from the heart of the village, offering both privacy and outstanding access to the South West Coast Path it is set on a generous plot with breathtaking rural and coastal views and combines spacious, versatile accommodation with a superb standard of finish.

A real highlight is the fabulous semi-open-plan living space. The dual-aspect kitchen/dining room features bi-fold doors opening onto a terrace – the perfect spot for al fresco dining or simply watching the sun rise over the ocean with your morning coffee. This sociable space flows effortlessly into the lounge, a generous, light-filled room with its own bi-fold doors to the terrace and a log burner for cosy winter evenings.

Practicality is thoughtfully considered, with a snug/home office offering additional flexibility, perfect for those that may need to catch up on work from home as well as a combined utility/cloakroom, and an integral garage.

Upstairs, a galleried landing offers access to four double bedrooms, two of which boast beautifully appointed en-suite shower rooms. A stylish family bathroom serves the remaining bedrooms.

Outside, a block-paved driveway provides parking and leads to the garage. The rear garden is a true sanctuary – exceptionally generous and designed for both entertaining and relaxation. The large terrace, accessed from both the kitchen/dining room and lounge, leads to a decorative gravelled area with mature planting and on to a level lawn with a summerhouse and produce garden. Stunning rural and coastal views can be enjoyed from every part of this wonderful outdoor space.

This is a rare opportunity to acquire a stylish and contemporary coastal home in a highly sought-after location offering an enviable lifestyle.

LOCATION

The most southerly village in mainland Britain, The Lizard offers a wide range of day to day facilities to include an excellent primary school, butchers and public house as well as a comprehensive range of shops and eateries, also within catchment for the extremely well regarded Mullion Secondary School.

Standing proud in the sea, The Lizard Peninsula presents a rugged face to the elements, yet paradoxically the climate is probably one of the warmest in Britain and home to rare and endangered plants as well as the unique metamorphic Serpentine rock that it is famous for; here the air is crisp, clear and unpolluted by industry. With The Lizard as a base, one is perfectly placed to access all of the delights that South West Cornwall has to offer from stunning coastal walks along the dramatic cliffs of the Lizard Point to the beautiful nearby beaches including Coverack with its crystal clear waters, the iconic Kynance Cove and traditional fisherman's cove at Cadgwith. Wider facilities are on offer in nearby Mullion and Helston with Helston offering three major supermarkets as well as a range of schooling options.
