GENERAL AND SITUATION

Approximate Distances:
Ammanford 4.5 miles • Cross Hands (A48 / access to M4) 2 miles
Carmarthen 12.3 miles

A comfortable three bedroom family home, set in approx. 4.8 acres, with extensive equestrian facilities including twelve stables, barns, manège and paddock grazing, in a very popular and accessible location.

The property is currently operating as a livery yard with all the facilities on offer to clients, with a separate private yard area that the vendors use for their own horses. It would also be suitable for the keeping of any livestock, or as a general smallholding.

The property has lots of potential with space to extend to provide further family living space subject to gaining the necessary planning permissions. It is now offered for sale, due to the vendor wanting to move closer to family.

The property is situated in the popular village of Penygroes which benefits from a range of local amenities including a primary school and has easy access at Cross Hands to the A48 and the M4 motorway beyond. Cross Hands also provides a retail park with a good range of shopping facilities. The county town of Carmarthen is easily accessible, as is the city of Swansea. The nearby Llyn Llech Owain Country Park offers a range of outdoor activities, and the National Botanic Gardens of Wales is very close by.

The vendor informs us that there is good out-riding with a range of bridlepaths in the area, as well as the local Amman Valley Pony Club and Beacons Equestrian Centre.
