A luxurious detached, five bedroom, renovated farmhouse, set in approx. 6.8 acres with a superb range of outbuildings, equestrian facilities and south facing paddock, in a wonderfully secluded yet accessible elevated location with breathtaking panoramic views.

This historical farmhouse is believed to have origins dating back over 500 years and some of the original character has been retained in the oldest parts of the house. The current owners have lovingly and extensively refurbished the house throughout in recent years to an extremely high standard, creating an exceptional family home with large bright rooms and modern conveniences.

Adjoining the farmhouse is a substantial traditional stone barn that has scope for conversion to provide an extension to the main dwelling or a separate annexe, subject to any necessary permissions.
