Project Overview

Located around 0.3 of a mile off an unadopted track off Sutton Road (serving 2 other properties) Foss Barn stands within a plot of approx. 0.34 of an acre, enjoys glorious far reaching rural views to 3 sides. The proposed dwelling will provide around 1,200 sq ft (111.4 sq m) of living space that will currently comprise of an entrance hall, cloakroom/wc, living room, dining room, principal bedroom with en-suite shower room, 2 further bedrooms and a bathroom.

Site works that we understand to have been carried out to date include the drains run and soakaway, concrete ground floor slab, cavity walls above DPC level and the blockwork for internal walls. It should also be noted that the following materials (wooden windows, roof trusses and a water treatment plant) are available to purchase from the developer. A detailed breakdown of what works have been completed to date, Building Control sign offs and an itemised completion schedule are available from the selling agent upon request.

Please also note that all of the images are currently computer generated and for illustration purposes only.

Planning Overview

Planning permission was approved by North Yorkshire Council on 20th December 2024 for the change of use of an agricultural building to create a 3 bedroom dwelling (Use Class C3) with associated parking.
