

Crescent Court, The Crescent, Off Blossom Street, York Prices From £210,000

Crescent Court is a fantastic new development location on the doorstep of York city centre and York Railway Station. Providing an array of beautifully constructed modern eco apartments the development is built around a private gated communal courtyard within this focused area of regeneration planned to transform 'The Crescent'.

The development presents 9 luxury dwellings ranging from studios to two-bedroom duplex apartments. Built with city centre living in mind, each property has been thoughtfully designed to flood each apartment with natural light through large glass openings and vaulted ceilings.

The developers have built with economy in mind installing clever concealed solar panels helping reduce running costs for both the individual homes and wider development. Additional sound proofing has been inculcated into the construction sheltering the noises from a thriving city centre.

Crescent Court offers a real feeling of luxury without compromising the practicality and comfort of everyday living. Each of the 4 architecturally designed layouts have been thoughtfully tailored to offer high quality living with modern touches.

Each apartment boasts a Howdens sourced 'Clerkenwell Gloss Sandstone' range of units with integrated appliances and laminated white marble work surfaces complimented by varying Karndean flooring. Bathrooms and En Suites are fitted with Grohe sanitaryware and herringbone style feature walls.

The apartments make for perfect city centre homes, weekend retreats or superb investment opportunities.

Crescent Court and more widely 'The Crescent' is set to benefit from the proposed improvements to the area by York City Council. The removal of Queen Street bridge plans to create a direct access from The Crescent to York Railway Station, complimenting the proposed vision of the 'York Central' development.
