

Development Opportunity, Claxton, York Guide Price £250,000

The property offers a fantastic development opportunity to provide a large three bedroom family home, set in approximately 0.66 acres.

The planning permission granted would provide over 2,500 sq.ft of living space, with a large open plan kitchen, living and dining room, in addition to a family area, office, utility and boot room.

In addition, there is a useful storage/outbuilding and a full size tennis court.

The proposed dwelling and south-west facing garden will benefit from excellent open views of the surrounding North Yorkshire countryside.

DESCRIPTION

The property previously formed part of a holiday letting complex and provides an indoor swimming pool, separate storage building and tennis court, set in approximately 0.66 acres.
