DESCRIPTION

Oakland Farm (Storwood Kennels) provides a fantastic opportunity to acquire a modern and well appointed three bedroom bungalow, in addition to a well-established and turn-key business operation.

The current vendors have significantly developed both the residential and commercial parts over recent years. The residential bungalow has been extended and refurbished to an excellent standard, with the stand out feature being the large open plan living and dining room with log burner and views over the surrounding land.

The commercial element is made up of three separate parts, with the main building providing a client reception, dog grooming salon, food preparation area and 26 individual kennels, housing up to 60 dogs at any one time. Each kennel has access to a self-contained outdoor run. Furthermore, there is a substantial "play barn" with good eaves height and mezzanine structure that would be suitable for a variety of uses, currently utilised for dog play activities during the colder months. Finally, a single storey structure provides additional storage and garage facility.

Externally, the property is entered via double gates onto a gravel surfaced driveway, providing easy access to both the commercial and residential elements. Adjacent to the kennel building are two fenced recreational areas to allow for outdoor play activities. The property sits in a total of 10.77 acres (4.36 ha).

LOCATION

The property and business is located between York and Pocklington, just outside the East Yorkshire village of Melbourne. Being located on the B1228, connecting York (north-west) to Howden (south), the kennels are easily accessed for customers travelling by car.

The property is set in a pleasant rural environment, surrounded by agricultural land and woodland. There are a number of leisure based businesses within the wider area, including fishing lakes and holiday lodge accommodation.

SERVICES

The property benefits from mains supplies of electricity and water. Drainage is by way of a septic tank. A 12kW photovoltaic system and rainwater harvesting tank are present, reducing the properties overall running costs and improving its environmental credentials.

TRADE & BUSINESS

Currently operating 52 weeks per year, Storwood Kennels is run by 2x full time proprietors, employing 5x full time and 3x part time members of staff. The business has enjoyed an increasing turnover and profitability in recent years. The current business offers dog boarding, day care and grooming.

Full trading history will be made available to seriously interested parties following a formal viewing.
