LOCATION

Barnetby Road is located off First Lane in Hessle and lies within easy commutability to Hessle, Hull city centre and further afield.

The official name for Hull is KINGSTON UPON HULL. Hull is Yorkshire's only waterfront city. The city is well known for its white telephone boxes, the Humber Bridge and its connections with poet Philip Larkin and pioneering English Pilot Amy Johnson. With an extensive range of shopping facilities, entertainment facilities, the Old Town and its Land of Green Ginger, the city is a superb mixture of modern and historic interest. The city centre provides access to the A63/M62 motorway with further trunk routes located over the Humber Bridge. Hull rightly won the City of Culture in 2017 with so many beautiful places of interest to view. The marina shows some great boats and yachts off with the recently re-developed fruit market now with a host of eateries, local delis and small businesses – a great diverse place to walk around and take in all the city has to offer!
