With wide and well-stocked flower borders, there is a varied and interesting mix of planting which will allow the garden to be enjoyed all year round.

To the front and side of the property is a limestone sun terrace with attractive views over the garden, along with extensive parking both to the rear and side of the house.

SERVICES

All mains services are available or connected to the property.

AGENT'S NOTES

262, WEST ELLA ROAD

Heritage Category: Listed Building

Grade: II

List Entry Number: 1161726

West Ella is a beautiful conservation area where the beautiful white washed properties sit proudly in their plots.

A conservation area aims to preserve and protect the character of an area; this can be made up of buildings, open spaces, views, trees, and other features. The objective of defining a conservation area is to provide for the preservation and enhancement of the special interest of the place. The intention is not to stifle change, but to monitor and provide positive management of these unique areas.

Currently, in the East Riding, there are 106 conservation areas which make them one of the largest designated heritage assets in our area. They range from urban town centres to rural settlement. Each conservation area has a Conservation Area Appraisal document, which describes the significance of the area looking at the historical development, architecture, landscape and other features of interest.

CENTRAL HEATING

The property benefits from a gas fired central heating system with zoned underfloor heating.

TENURE

We believe the tenure of the property to be Freehold (this will be confirmed by the vendor's solicitor).

COUNCIL TAX

The Council Tax Band for this property is Band G.
