In my opinion, one of the most attractive, well laid out and functional properties I have listed in 17 years as an Estate Agent. Situated on a beautiful, large and elevated plot, which not only has a great feeling of privacy but also allows the possibility of creating a further building plot to the front, without losing the majority of the garden.*

With a beautiful, light and bright ambience courtesy of the extensive fenestration, the property has a superbly flexible layout with two ground floor bedrooms and two very generously sized first floor bedrooms, both having en-suite shower rooms.

The large living dining kitchen is in addition to a fabulous dual aspect lounge and further reception hall, with the added bonus of a completely independent first floor annex with its own bathroom which is positioned over a triple garage and workshop.

*Subject to the necessary planning permissions.

LOCATION

The property is located on the eastern side of Water Lane, a residential road which leads off from West End in South Cave through to Ellerker. The location not only provides ease of access to the broad array of amenities on offer in this premium East Yorkshire Wolds village, but also onto the M62/A63 motorway which lies close by. Further, Brough mainline railway station lies only 3.4 miles from the property.
