ABOUT THE DEVELOPMENT

A small, unique development of architectural designed homes consisting of five, two bedroom Rosemary house types and two, one bedroom Thyme houses. All are light, maximising the space by careful design and are energy efficient, with air-source heat pump and a high standard of insulation to minimise heating costs. High speed broadband, stylish kitchens with all appliances from Howdens and Ideal Standard bathroom. A high build quality and design, with a low maintenance, as you expect from a WA Hare & Son built property. All properties will benefit from a NHBC 10 year new home guarantee.

Situated in the market town of Selby, and as described in The Sunday Times as being Historic, down to earth and surprisingly convenient. This riverside town is dominated by the Abbey (with links to the George Washington family), and has direct links to London (about 2hrs via train) and is in daily commute of Leeds, York and Sheffield. Selby high street is filled with interesting independent shops. It punches well above its weight culturally, due to the Selby Town Hall entertainment venue. Local amenities are a 5-minute walk away to the town centre, with a gym, pool and medical centre and shops all close by.
