The plot enjoys a wonderful position set back from Old Lane, overlooking the village cricket field. The village is well known for its quiet countryside setting, with beautiful walking pursuits, yet easy access onto major motorways within 10 minutes. The seller is selling both Plot 1 & 2 and will consider selling separately or together as one lot.

The architect's brief was to create an extensive and luxury family home, with the perfect balance of well-proportioned sized rooms and modern open plan living. The dwelling extend to over 2,000 square feet within generous outdoor space and is positioned on the fringes of the village.

A copy of the planning consent and all associated plans are available from our Selby office and in addition are hosted on the Selby District Council Public Access Planning Portal.
