An exclusive detached residence of significant appeal situated in a beautiful semi-rural setting, occupying large grounds within this choice development. Millgate House is sure to be a popular home and has been architecturally designed in such a way to enjoy adaptable and flowing accommodation, combining both family and more formal areas.

The site is situated in the village of Wistow, which is well known by many as a popular and desirable location. The site comprises two large detached family homes, both of which are completed to an incredibly high specification and come with a 10 year new home warranty. Both plots enjoy over 1,900 sq. ft. of internal accommodation with generous outdoor space and a single garage to the side. The developer has selected a luxury range of kitchen and bathrooms, finished with impressive décor choices throughout.

The ground floor accommodation has been perfectly designed for family living. There is a spacious lounge with a log burner, ground floor w.c, separate home office or snug and a magnificent open plan kitchen diner with separate utility. The ground floor is further enhanced by underfloor heating.

The kitchen was provided by Cook House (York) and comes equipped with a comprehensive range of 'Neff' built in appliances, including a double oven, induction hob, fridge, and additionally, an AEG wine cooler. The kitchen has a central island with Belfast sink which has a Quooker Pro 3 Fusion hot tap. There are two sets of bifold doors with internal blinds to the rear elevation which open out onto the patio and garden space. Located just off the kitchen area is an important utility room with plumbing for a washing machine, full length freezer and external rear door.

The first floor is well proportioned and comprises of four double bedrooms. The master bedroom has a stylish walk-in wardrobe and en-suite. The second bedroom also benefits from an en-suite. All bedrooms have a sash style window and central heating radiator. The bathrooms in this property comprise of Villeroy and Boch sanitary ware.

Externally both plots will have a generous patio area immediately from the property, with a lawned garden. To the front, there is ample off-street parking, a single garage and EV charging point.

Reservations are available for both plots and further details including the full specification and site plan are available upon request. The developer has opted for the eco friendly air source heat pump coupled up with latest cavity, floor and roof insulation.
