Introduction

A rare opportunity to purchase this THREE STOREY semi detached family home situated towards the end of the cul-de-sac in Power Street (just off Barrack Hill), minutes from excellent amenities and major road connections. Within walking distance we have well regarded primary and secondary schools, bus stops and shops as well as Newport City Centre being slightly further afield. The M4 (J26) is close by too as well as the A4042, both providing an easy commute to neighbouring towns and cities.

The living accommodation is set over three floors, providing spacious and versatile living accommodation. As we enter in the hallway we are lead off to a front lounge and open plan kitchen/dining area at ground level then, upstairs, three good sized bedrooms and family bathroom. The basement level is currently being used as a bedroom but could lend itself perfectly to another reception room or hobby room, plus it features an additional bathroom. Outside, the frontage benefits from a driveway and, to the rear, an enclosed garden laid to patio and lawn with side access to the front.
