## Introduction

A fantastic and rare opportunity to purchase this substantial detached family home situated within Celtic Horizon, just minutes from excellent amenities and major road connections. Within walking distance there are local shops, bus stops, well regarded primary and secondary schools as well as the beautiful National Trust Tredegar House. The M4 (J28) and A48 are both close by too providing easy commuting to neighbouring cities.

With over 2,000ftsq of living accommodation set out over three floors, the property offers versatility and space for all the family. It was built by Bovis Homes c.2003 and has been well looked after although may benefit from some modernisation and upgrading in some areas.

Upon entering, the hallway leads off to a kitchen/breakfast room, a good sized lounge, dining room, conservatory and a WC. Stairs lead up to the first floor landing where there are three bedrooms (two of-which feature en-suites) and family bathroom then, upstairs to the second floor, three further bedrooms plus an additional en-suite.

Outside, the driveway provides parking for numerous cars as well as a detached double garage featuring twin up and over remote-controlled doors. The rear garden is relatively private and also of good size.
