Introduction

NO CHAIN A great opportunity to purchase this spacious semi detached family home situated within the Bettws area of Newport, just minutes from excellent amenities and main road connections. Many of the amenities are within walking distance including local shops, bus stops and well regarded primary and secondary schools as well as the M4 motorway (J26) being a short drive away.

The property is offered to the market with no onward chain and would benefit from some cosmetic improvements, giving the purchaser the opportunity to make it their own. We enter the property from the front into the galley kitchen which leads off to a good sized lounge/diner, three bedrooms and modern family bathroom. The property further features a modern gas combination boiler, uPVC double glazing and front and rear gardens.

Further information can be found below although we recommend a viewing to appreciate the potential this home has to offer.
