

THE STABLES

CRANLEY HALL, CRANLEY ROAD, EYE, IP23 7HZ

This delightful Grade II listed detached home occupies a quiet and secluded position with views over the Dove Valley. Its location offers both peaceful living and easy walking access to Eye town centre and its amenities.

Originally recorded on a map in the early 17th Century, The Stables was part of an historically important collection of barns converted into dwellings in the early 2000s. This charming Grade II listed home is rich in character, featuring original oak beams and distinctive hexafoil patterns adorning an upstairs wall. Upon entering, a generous entrance hall welcomes you, with stairs ascending to the first floor and an open flow into the substantial kitchen and dining room. This area is well-appointed with ample units, a central island, and a Rayburn for heating and cooking. Leading off the kitchen/dining room is a rear porch with a stable door to the exterior, a convenient walk-in storage cupboard and access to the utility room, which includes a butler sink. The property provides three ground floor bedrooms, two with en-suite facilities, and a separate bathroom.

The first floor unveils a striking living room with oak flooring, a wealth of original oak beams, original mullioned windows, and a wood-burning stove. Enhancing modern living are the benefits of underfloor heating and an in-built vacuum system.

A private access drive leads you to an extensive gravel driveway that offers ample off-road parking for numerous vehicles. A substantial detached garage and workshop barn style building stands adjacent, featuring a dedicated office space and additional storage on the upper floor. This versatile space benefits from power, lighting, and a heating/AC unit in the office, and the workshop area is kept comfortably warm by a wood-burning stove. The gardens envelop the property on three sides, creating a delightful setting.
