

DE BERRI

CHIPPENHALL HALL, LAXFIELD ROAD, FRESSINGFIELD, IP21 5TD

A superb and spacious detached barn conversion with character and versatility in a delightful and sought-after rural position. The four bedroom property has the benefit of four ensembles

The property is an impressive and deceptively spacious detached barn conversion in a sought-after elevated rural position at the head of a long shared private driveway. The barn has also been extended and has versatile accommodation with the living space to one end and the bedrooms to the other.

The front door opens to an open plan kitchen which has been comprehensively fitted with a range of contemporary units. The space is vaulted which adds to the character and drama. It is open to one side to the sitting room with its fireplace and woodburning stove. Off the sitting room is a superb oak framed garden room which is currently used for dining and relaxing. There is also a useful utility room and separate cloakroom.

A door leads through to the bedroom accommodation. The principal bedroom is also a more recent addition with steps down to it. It has an impressive ensuite with bath and separate shower. There are three further bedrooms, all with ensuite facilities.

The property is approached via a long driveway that splits in two with

the left spur leading to this property and its immediate neighbour only. To the front is a detached single garage and an additional parking space. The garden is enclosed with fencing and walls giving a courtyard feel. It is low maintenance but provides a delightful area for alfresco entertaining and benefits from far reaching rural views.
