Introduction

The accommodation is centrally heated from an oil fired boiler, however a gas connection is available if preferred, as well as having 3kw solar panels that are also on a favourable feed-in rate. Comprising of: entrance porch/utility room, central hallway, downstairs WC, kitchen/dining room, living room, inner lobby/study area, sun room, rear lobby and passage/storage area, to the first floor are four double bedrooms and a family bathroom. The attached annexe consists of bedroom, kitchen, hallway and living room.

Property Description

The property is configured in such a way that the annexe is connected to the main house but can be shut off making it completely separate with its own entrance door.

Annexe - Heated with night storage heaters and accessed from the road via an entrance hall with door leading to the bedroom that has fitted wardrobes and cupboards and further door to the main house, from the hall it opens up into the kitchen which has space for a cooker, stainless steel sink unit and doors off. The bathroom has WC hand basin and panel bath with shower over and the living room has windows to the rear and side and a woodburner with slate base.

Main House - Entered via the entrance porch/utility room which has a tiled floor, plumbing for washing machine, sink unit and access to the passage and storage area which has a range of fitted cupboards and units. A door leads from the porch to the hallway with stairs leading up and storage cupboard under, downstairs WC, doors leading off to all rooms. The kitchen/dining room features an oil fired AGA, double sink unit, open shelving, space for table and chairs and double glazed windows to the rear and side, the living room has a feature brick fireplace, double glazed window to the side and door to the rear garden. From the hall a door leads into an inner lobby/study room which has sliding doors to the sun room that has double glazed windows to the side and rear and a sliding patio door and further door into the rear lobby from which you can access the garden or the annexe or the passage/storage area.

From the hall the stairs rise up to a half landing which accesses bedroom four and continues up to the main landing where all other rooms are accessed including: family bathroom with bath and shower over, sink and WC, bedroom one with double glazed windows to the side and rear and a range of fitted wardrobes, bedroom two with double glazed windows to the rear and side, fitted wardrobes and a sink, bedroom three has a double glazed window to the side, fitted wardrobes and a sink.

Garden & Parking

The property is approached from the road via a concrete driveway which leads to the two garages both with metal up and over doors, storage, power and light. Double metal gates give access into the garden where there is an area with outside tap and the main property entrance. A pathway leads down the side of the property to the rear where there is a lawn area and views over open countryside, the path continues to the far side of the house where there is a large patio area, all is enclosed by hedges and block wall. The annexe is entered from the a main entrance door to the front.
