Two of the bedrooms benefit from en-suite facilities, and there's also a family bathroom. The home also features a double garage and off-road parking. With its convenient location close to shops, cafes and local attractions, this property combines space, comfort and accessibility. A fantastic opportunity for anyone looking for a family home in a desirable area. Viewing is highly recommended.

Entering into the spacious hallway, there are doors off to the study, dining room, guest cloakroom, sitting room and dining kitchen, with a staircase to the first floor. The study is a versatile space that can easily adapt to your needs, whether as a dedicated home office, a games room, or a playroom. It also features a handy understairs storage cupboard. The property boasts two additional reception rooms, comprising a well-proportioned dining room and a comfortable sitting room. The sitting room features aluminium sliding doors that open directly onto the rear garden, with a coal-effect gas fire with a marble surround and hearth, forming the focal point of the room. There is a guest cloakroom with a pedestal wash hand basin with taps and a tile splashback and low level WC.

The dining kitchen is both functional and well-designed, with preparation surfaces that include an inset 1½ stainless steel sink, an adjacent drainer and a tiled splashback. There are a range of cupboards and drawers, an integrated dishwasher, a double electric fan-assisted oven and grill and a four-ring gas hob with extractor fan. Space is provided for a freestanding fridge/freezer, with additional wall-mounted cupboards for storage. The dining area has a door into the utility and aluminium sliding door to the rear garden. The tiled flooring continues into the utility room, which includes a rolled-edge work surface with an inset stainless steel sink, drainer, and chrome mixer tap, complemented by a tiled splashback. There is a cupboard beneath, along with space and plumbing for a washing machine and a separate tumble dryer. The room also contains a recently fitted wall-mounted Ideal boiler and has a wooden door leading to the side of the property.

The first-floor galleried landing provides access to all the bedrooms and the family bathroom, as well as a loft hatch and an airing cupboard that houses the pressurised hot water cylinder. The master suite is a generously sized double bedroom offering lovely views of the surrounding countryside. It features full-length fitted wardrobes and an opening into a dedicated dressing area, complete with a built-in dressing table, drawers, and additional cupboards for storage. A door from the dressing area leads to the en-suite, which is fitted with a modern white suite. This includes a wash hand basin with a chrome mixer tap and vanity drawers beneath, a low-level WC, and a double shower unit with a chrome mains-fed rainfall shower. The en-suite is further enhanced by a chrome ladder-style heated towel rail and an electric shaver point. The second bedroom is another spacious double, complete with built-in wardrobes and its own en-suite for added convenience. The en-suite features tiled flooring and includes a pedestal wash basin with taps, a low-level WC, and a shower unit fitted with a chrome mains-fed shower.
