Located in a quiet cul-de-sac in the sought-after village of Hulland Ward, 21 Elms View is a five-bedroom detached home offering spacious and versatile living accommodation, ideal for families. The property has been finished to a high specification throughout and benefits from underfloor heating across both the ground and first floors. Designed with practicality in mind, it features five well-proportioned double bedrooms, two of which include ensuite facilities. The property also offers a generous double garage and off-street parking.

The southerly rear aspect provides stunning open views across surrounding fields, creating a peaceful and private setting. The home is well-positioned for access to local amenities including a village pub, school, shop, and farm shop, while also being conveniently located near Ashbourne, Carsington, Wirksworth and Belper.

A composite entrance door opens into a spacious reception hallway with tiled flooring, an oak staircase rising to the first floor, and doors leading to the sitting room, dining kitchen, and guest cloakroom. The guest cloakroom continues the tiled flooring and is fitted with a wash hand basin with chrome mixer tap and tiled splashback, low-level WC, and extractor fan.

The heart of the home is the high-specification dining kitchen, fitted with quartz preparation surfaces including an inset 1½ stainless steel sink with drainer and chrome mixer tap, set against a matching quartz upstand. A comprehensive range of cupboards includes integrated Bosch appliances: two electric fan-assisted double ovens with grills, dishwasher, full-height fridge, separate freezer, and a recycling drawer. A central island has additional storage and a five-ring Bosch induction hob with a complementary extractor fan and breakfast bar seating.

The spacious dining area opens out to the rear garden through aluminium bifold doors, making the most of the stunning southerly aspect and uninterrupted open field views.

Adjoining the kitchen is the utility room, also with tiled flooring and matching quartz surfaces, inset sink with chrome mixer tap, and integrated washing machine and separate tumble dryer. A wall-mounted boiler and hot water tank are housed in a separate cupboard, and a side door provides external access.

The dual aspect sitting room is bright and spacious, centred around a granite fireplace with an inset electric log-effect fire. Aluminium bifold doors open out to the rear garden, again capturing the far-reaching southerly views across open countryside.

On the first floor, the landing provides access to four bedrooms and the family bathroom, with stairs continuing to the second floor. Underfloor heating (wet system) runs throughout this floor.

The dual aspect master bedroom is currently arranged as a secondary sitting room to maximise enjoyment of the elevated countryside views, enhanced by aluminium bifold doors opening onto a balcony with composite decking - an ideal spot for morning coffee or evening drink! The ensuite includes tiled flooring, a vanity unit with wash hand basin and chrome mixer tap, low-level WC, chrome ladder-style heated towel rail, and a shower enclosure with a mains-fed rainfall shower. There is also an electric shaver point and extractor fan.

Bedroom two, which overlooks open countryside, is a generous double with built-in wardrobes and an ensuite shower room fitted with a similar specification. Bedroom three features full-length fitted wardrobes and a window to the rear that frames the scenic views. Bedroom four is also a comfortable double.

The family bathroom is fitted with tiled flooring, a vanity unit with wash hand basin, low-level WC, a bath with chrome mixer tap, and a separate double shower with rainfall showerhead. There is also an electric shaver point, chrome heated towel rail, and extractor fan.

The second-floor landing leads to a further double bedroom with dual-aspect Velux roof windows, a large storeroom, and a substantial bathroom. This bathroom is fitted with his and hers wash hand basins, low-level WC, spa bath with chrome mixer tap, and a separate rainfall shower, all complemented by tiled flooring, vanity storage, and a chrome ladder-style heated towel rail.

Outside, the rear garden enjoys a southerly aspect with beautifully maintained lawn, extended patio seating area, raised vegetable planters, and a greenhouse, all backing onto open fields. A further lawned area lies to the side, with external power points. A tarmac driveway to the side of the property provides off-street parking and access to the double garage, which is fitted with power, lighting, and an electric up-and-over door.
